Av. da Liberdade, Lisbon, Portugal

Largo de Santos, Lisbon, Portugal

Servant is an international furniture showroom and design studio specializing in high-end interior design and architecture projects. We strive for impeccable quality, curating benchmark furniture and selecting accessories to create perfect living and working environments. Founded by Ana Kurash, Servant opened its multi-brand showroom in the Santos neighborhood in 2021, swiftly becoming one of Portugal's premier destinations for luxury furniture and accessories. Building on this success, we proudly inaugurated our new Molteni&C flagship store on Lisbon's prestigious Avenida da Liberdade in 2024.

Who We Are

Servànt, founded by Ana Kurash, is an international furniture showroom and design studio in Lisbon, serving as the ultimate destination for designer furniture. We feature two distinct showrooms: the first is the Molteni&C monobrand flagship store, the leading industrial group with 100% Italian-made furniture, which is the first to open its doors in Portugal. The second showroom is where we present our carefully curated exposition of some of the most prominent and distinguished furniture brands and designers, along with a vast catalog of over 300 partnering brands from all over the world.

What We Do

In addition to our showrooms, we extend our expertise to client projects by offering comprehensive interior design and architecture solutions, as well as complete renovation projects. Our services cover everything, from home design to the sourcing of materials, and the supply of furniture and decoration. With a diverse team of design specialists from all over the world, each contributing their unique talents and creativity, Servànt has become a hub of innovation and style.

Our Mission

As design and furniture showroom experts, we focus on bringing you high-quality, contemporary furniture and accessories, creating the perfect atmosphere for living and working spaces. Whether you are looking to enrich your interiors with first-rate brands or a complete renovation, we will offer you aesthetics, quality, and bespoke design, embodying a commitment to excellence at every level.

Molteni&C

With a history dating back to 1934, Molteni&C is one of the brands of the Molteni Group, one of the most important and prominent industrial groups in the furniture design field. With 100% Italian production, Molteni&C strives for excellence and quality in all the attributes that make up the brand, from the materials used to the collaborations with leading designers and craftspeople.

In its second store, Servant represents a curated exposition of some of the most prominent and distinguished furniture brands and designers, along with a vast catalogue of over 300 partnering brands from all over the world.

COMPRE — HENSIVE SERVICES

Our team takes a sartorial approach to each project, placing great emphasis on designing for our clients in a bespoke manner, whether creating a building, an interior, or the products and furniture within. From the development of the architectural project to the selection of accessories, we conceive and implement a comprehensive design project, aiming to adapt to the client's needs and follow a structured design process.

In the realm of interior decoration, we always strive to work collaboratively with the client to achieve the ideal result, a process that allows us to conceive the best interior design project. These are the steps we follow:

- 1 Visit to the site (measurements & plan development)
- 2 Development of architecture and design project
- 3 Interior decoration
- 4 Lighting planning and electrical system
- 5 Furniture arrangement
- 6 Final decoration (accessories & art)
- 7 Project management (construction supervision & preparation for use)

PROJECTS ACROSS Portugal and Europe

With over 50 projects completed both in and outside of Portugal, our commitment to delivering the highest quality service is evident. From the initial visit to our showroom to the moment our clients unwind in their fully furnished homes, we prioritize excellence at every step. Operating in the luxury segment, Servant goes beyond offering contemporary furniture and accessories; we emphasize diverse solutions and fast, top-level service, setting us apart in the industry.

We take on comprehensive projects, overseeing everything from architecture and design planning to material sourcing and the execution of full renovation projects. Our aim is to provide customers with a seamless experience, allowing them to enjoy every moment of the renovation or redecoration process with us.

ARCHI — TECTURE

SIMPLIFY THE DESIGN PROCESS

Collaborating with Servànt simplifies design by outsourcing logistical tasks. Our team takes a sartorial approach to each project and places great emphasis on designing for our clients in a bespoke manner.

ACCESS TO EXPERTISE AND RESOURCES

Servànt gives architects access to our expertise and resources. With our extensive kitchen design experience, architects can receive guidance on layout and materials for custom kitchens that meet unique client needs.

FULL-SERVICE SUPPORT

Servànt provides full-service support for architects, handling orders, taking dimensions, and developer coordination. This allows architects to focus on their core competencies and create beautiful, functional spaces.

FOR DEVELOPERS AND REALTORS

STAGING - SHOW HOUSE

Servànt is prepared to partner with the developer to stage the promotional apartment or house for their developments, with the goal of maximising both parties' respective aims in selling the real estate and design services.

INTERIOR DESIGN

By working together with a client to create the ideal outcome in any space, we are equipped and ready to provide the best interior design project.

QUALITY MATERIALS

Servànt can also source and deliver construction materials, including sophisticated wardrobe systems, kitchens, spas, gyms, cinema rooms, bathroom accessories, and more, in addition to fulfilling any customized requests from clients.
